

# TM Series Go #FastandFlawless

## Versatile and Affordable High-Quality Printing

Designed to provide affordable and quality results for a wide range of printing applications, the new **imagePROGRAF** 914.4 mm (36") **TM-5340** and 609.6 mm (24") **TM-5240** large format printers help to meet the requirements of engineering firms with versatility in cost and printing.

## **Swift Speeds for Greater Productivity**

The new L-COA PRO II high-speed imaging processing chip provides enhanced data processing power for the TM-5240 and TM-5340, enabling faster turnaround times from sleep mode as well as continuous printing for greater productivity overall.

## **Enhancing Details Through Vivid Red**

The **new magenta ink** helps to deliver a vivid red that highlights important details on photos, posters as well as CAD drawings with greater clarity.

### **Effortless User Operation**

## Streamlining Workflows with Intuitiveness

Experience greater printing convenience with software applications designed to streamline the management of workflows.

#### **Free Layout Plus**

Free Layout Plus allows files to be dragged and dropped into the application for the easy resizing of documents to fit specific paper layouts before printing.

#### **Accounting Manager**

Monitor print usage with greater ease through Accounting Manager.

#### **PosterArtist**

The **PosterArtist** application offers effortless creation of vibrant and visually appealing posters.

Check it out at https://posterartist.canon

#### **Direct Print Plus**

Print PDF or JPEG files in batches effortlessly with custom templates by using Direct Print Plus.

## **Quality with Affordability**

Enjoy affordable and high-quality printing with 55ml small capacity ink tanks best suited for the needs of small businesses or startups.

## **Enhanced Scanning Capabilities**

The TM-5240 and TM-5340 can be utilised alongside a scanner with enhanced capabilities that improve scanning productivity and operability by offering a maximum paper thickness of 0.8mm (0.031") as well as featuring new transparent guides.

TM-5240 Lm24 Scanner
