## HIGHLIGHTER & WATER RESISTANT PRINTS

The quick-drying pigment ink ensures high-quality document printouts that resist fading or moisture and accidental exposure to water.

## HIGH-CAPACITY PAPER CASSETTES

Supports up to 600 sheets of paper for high productivity, uninterrupted printing.

## EASY MAINTENANCE

The easy-to-replace maintenance cartridge makes maintenance fuss-free and extends printer lifespan even when printing in high volume.

## MEDIA VERSATILITY

Supports a variety of print media including sticker paper, glossy paper, banner paper, window envelopes and more to meet all your business needs

Specifications are subject to change without notice.

<sup>\*1</sup> Document print speeds are the averages of ESAT (Word, Excel, PDF) in Office Category Test for the default simplex mode, ISO/IEC 24734.

Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc.

<sup>\*2</sup> Operation can only be guaranteed on a PC with a pre-installed Windows 7 or later.

<sup>\*3</sup> When printing ISO/JIS-SCID N2 on A4 size plain paper using default settings.

<sup>\*4</sup> Page Yield is the estimated value based on Canon individual test method using the ISO/IEC 24712 colour chart and continuous printing simulation with the replacement after initial setup. Page yield varies significantly depending on contents printed and other factors.

<sup>\*5</sup> The Economy mode reduces the ink consumption by lowering the density. More pages can be printed by using this mode.

<sup>\*6</sup> Based on 1 set of colour bottles.

Delighting You Always
