

**INSTALLATION SUPPORT FOR CANON A4/A3 PRINTERS AND LIDE SCANNERS SPECIFIED IN  
APPENDIX- A & B ('PRODUCTS/PRODUCT') DURING WARRANTY TERM**

**Canon India Private Limited (CIPL)**, provides installation support through service engineers of its authorized service providers for specified model of Products mentioned in Appendix A without any additional cost during its warranty term, subject to the following terms and conditions:

**“installation support”** shall mean hardware installation, downloading the drivers from CIPL’s support site, if necessary, installing the driver on end user / customer device, printing a test page and demonstration on operating the Product.

**TERMS AND CONDITIONS:**

1. One-time installation support without any additional cost, shall be provided for the Products specified in **Appendix – A** of this document during the warranty term applicable on the Product.
2. Installation support for the Products specified in **Appendix -A** shall not be applicable if Product is in use prior to raising the service request.
3. To avail installation support end user/customer shall raise a service request through any of the following:  
Call center number: 18601803366, 18002083366  
Online: [www.canon.co.in](http://www.canon.co.in)  
Whats app number: 9108510853:
4. End user / customer shall be required to provide copy of Product purchase invoice for validation of warranty term either at the time of registering service request at call center or at the time of visit of service engineer visiting end user / customer premises.
5. In case end user / customer is not able to provide Product purchase invoice for validation of warranty term the applicable warranty term on the Product shall be determined through CIPL’s Online Warranty Serial No. Tracking system (WMS).
6. To read and understand the warranty terms and conditions applicable on the Product, please visit [www.canon.co.in](http://www.canon.co.in)
